

Gujarat Narmada Valley Fertilizers and Chemicals Limited

Corporate Social Responsibility

With the alarming rise in the level of Narmada River in the past few days, several people had been affected in the district.

Gujarat Narmada Valley Fertilizers and Chemicals Limited through its CSR Wing Narmadanagar Rural Development Society (NARDES) an NGO committed towards developmental activities in and around Bharuch had lent support to the District administration Bharuch in providing relief to the inhabitants of the flood ravaged areas.

GNFC as a part of its Corporate Social Responsibility (CSR) has sponsored and distributed 9000 food kits in Bharuch and Jhagadiya talukas of Bharuch District.

As an attempt to render further help in the wake of grim flood conditions in the district, GNFC assembled and distributed kits to 600 families. Each kit comprised of 18 essential items such as toiletries, groceries, and other items of daily use.
